

Schools as Drivers to Climate Neutrality in Cities

Szkoła Podstawowa nr 1
im. Mikołaja Kopernika
w Mińsku Mazowieckim

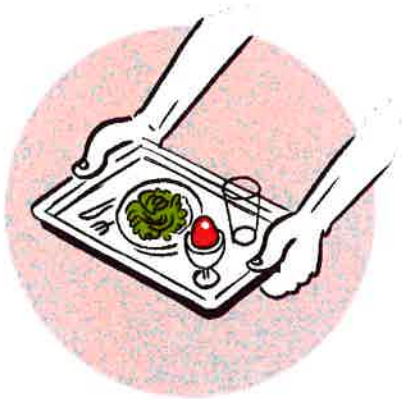

In Visions2045 your school community worked together:

- to raise awareness for climate protection,
- to implement concrete actions to reduce greenhouse gas emissions,
- to promote sustainable resource use.

In recognition of your remarkable contribution, this certificate is proudly awarded to:

**Primary School No. 1
Mińsk Mazowiecki**

For your commitment and dedication in climate action, you receive a special award:

FUTURE FEAST AWARD

THANK YOU!

Your achievements show great awareness of the challenges facing our societies and a clear commitment to a sustainable future that is livable for everyone.

Stay active and continue to shape a positive future for all together!
